WORKING EXPERIENCE

Bapunt

San Diego, California
January 2017 - January 2020

Service Technician

- Wrapped pipes in insulation, securing it in place with cement or wire bands.
- Fabricated, assembled, or installed duct work or chassis parts, using portable metal-working tools or welding equipment.
- Discussed heating-cooling system malfunctions with users to isolate problems or to verify that malfunctions have been corrected.
- Tested electrical circuits or components for continuity, using electrical test equipment.
- Joined pipes or tubing to equipment and to fuel, water, or refrigerant source, to form complete circuit.

Glasco Inc

San Diego, California
January 2015 - January 2017

Service Technician

- Tested pipe or tubing joints or connections for leaks, using pressure gauge or soap-and-water solution.
- Reassembled and tested equipment following repairs.
- Laid out and connected electrical wiring between controls and equipment, according to wiring diagrams, using electrician's hand tools.
- Installed, connected, and adjusted thermostats, humidistats and timers, using hand tools.
- Inspected and tested systems to verify system compliance with plans and specifications or to detect and locate malfunctions.

Fiarodo

San Diego, California
January 2014 - January 2015

Service Technician

- Assisted with other work in coordination with repair and maintenance teams.
- Measured, cut, threaded, or bent pipe or tubing, using pipe fitter's tools.
- Discussed heating-cooling system malfunctions with users to isolate problems or to verify that malfunctions have been corrected.
- Assembled, position and mount heating or cooling equipment, following blueprints.
- Adjusted system controls to setting recommended by manufacturer to balance system, using hand tools.

EDUCATIONAL QUALIFICATION

Post-Secondary Certificate in Tehnical Studies

Technical Studies
Duke High School
San Diego, California
July 2011 - July 2013

SKILLS

- Using logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions or approaches to problems.
- Understanding written sentences and paragraphs in work related documents.
- Adjusting actions in relation to others' actions.
- Understanding the implications of new information for both current and future problem-solving and decision-making.
- Considering the relative costs and benefits of potential actions to choose the most appropriate one.

QUALIFICATIONS

- Knowledge of business and management principles involved in strategic planning, resource allocation, human resources modeling, leadership technique, production methods, and coordination of people and resources.
- Knowledge of relevant equipment, policies, procedures, and strategies to promote effective local, state, or national security operations for the protection of people, data, property, and institutions.
- The ability to listen to and understand information and ideas presented through spoken words and sentences.
- The ability to arrange things or actions in a certain order or pattern according to a specific rule or set of rules (e.g., patterns of numbers, letters, words, pictures, mathematical operations).
- The ability to communicate information and ideas in speaking so others will understand.
